Charles H. Mullin, PhD

Partner

Summary of experience

Charles H. Mullin is a recognized expert on asbestos-related matters. He provides advice and expert analysis on asbestos liability issues involving insurance coverage, bankruptcies, and due diligence for mergers, acquisitions, and spin-offs. Dr. Mullin has authored numerous expert reports and provided expert testimony in asbestos-related insurance matters, as well as provided due diligence reports for corporate transactions. He has designed and implemented statistically reliable claim file reviews both for asbestos defendants and for insurance companies. In addition to Dr. Mullin's retentions as an expert, he is frequently invited to speak at industry conferences on a multitude of asbestos-related issues.

Dr. Mullin received his PhD in economics from the University of Chicago and his BA in economics and mathematics from the University of California at Berkeley. He taught courses in advanced statistical economic analysis and labor economics while on the faculty in the Department of Economics at Vanderbilt University and at the University of California at Los Angeles. Dr. Mullin published papers on applied and theoretical econometrics and labor economics in peer-reviewed journals. Dr. Mullin specializes in statistical analysis and economic modeling. He has more than 15 years of experience providing this expertise in both the private and public sectors.

Areas of expertise

- Econometric analysis
- Statistics and statistical analysis
- Economic modeling
- Microsimulation modeling

Selected experience

- Provided deposition testimony on behalf of multiple insurance companies in the matter *State of Minnesota v. Associated Medical Assurance Limited*. No. 27-CV-08-1912 (State of Minnesota Hennepin County District Court Fourth Judicial District): 2010–Present.
- Authored expert report on behalf of FM Global and Utica in an arbitration matter: 2009–2010.
